How to get your HGV licence

Follow this order and you won't waste a week.

1. Pick your course

Class 1 (artic) or Class 2 (rigid). Build a package with the exact hours, tests and extras you need.

2. Book your HGV medical

DVLA D4 medical — we book it for you. Around 15 minutes on the day. £50.

3. Send off your D2 form

Apply for your provisional HGV entitlement with DVLA. Free — we walk you through it.

4. Pass theory & hazard perception

Use the HGV Theory Kit with unlimited mock tests and hazard clips. Around 2–4 weeks study.

5. Complete Driver CPC Module 2

Case-studies theory test. Included in Complete packages.

6. Practical training

5–7 days behind the wheel with a DVSA-approved instructor. Reversing exercise + on-road.

7. Pass your practical + Module 4

Reversing test, on-road test, then the CPC Module 4 practical demonstration.

8. Start earning £35k–£55k

Free new-driver job search matches your licence to hiring UK fleets.

Clear pricing. Real finance.

One quote covers everything. No hidden extras on the day.

WHAT'S INCLUDED IN A COMPLETE CLASS 1 PACKAGE

- HGV D4 medical (£50 value)
- Full theory kit — unlimited mock tests, hazard clips (£60 value)
- Driver CPC Module 2 test
- Around 30 hours practical training on Scania trucks
- Reversing test + on-road test + CPC Module 4

We stick with you

PASS PROTECTION

Optional cover for DVSA retest fees and additional training hours if you don't pass first time. Around 45% of Class 1 candidates don't pass first time — Pass Protection means a bad test day doesn't cost you £250+ out of pocket.

COMMON QUESTIONS

How long does it take?

Most students go from application to test-ready in 4–8 weeks.

Do I need a car licence?

Yes — a full UK Category B licence is required before HGV training.

Can I get finance with bad credit?

Our 0% in-house finance has no formal credit check — decisions are based on affordability.

Do you help with jobs?

Yes — free job-matching for new drivers after you pass.
